Subject - Compulsory retirement of Marcha peon of Revenue Section of Mysore City Municipality

---

I write to state that Marcha peon of this Municipality was retired compulsorily from service with effect from 5-7-1950 on a compassionate allowance of 2/3 of the pension, which would have been admissible to him if he had been retired on medical certificate, as permissible under Articles 223, Mysore Service Regulation (copy of memo dated 22-7-1950 enclosed) in view of the fact that his work and conduct were reported to be not satisfactory Necessary pension records were built up and sent to the Accountant General for sanctioning the pension admissible under rules But the same has been returned with the observation that sanction of Government is necessary for retiring him compulsorily I therefore request you kindly to obtain sanction of Government, and communicate the same early, for disposing of the pension case

Yours faithfully,

Sir,

Subject - Compulsory retirement of Marcha, Peon of the Revenue Section of the Mysore City Municipality

---

With reference to your letter No 2230 dated 9th June 1951 on the above subject, I write to state that the Menial in question was very irregular in his duties The Revenue Officer under whom he was working reported that he was not attending to his duties properly In the interest of collection work the Revenue Officer suggested a transfer of this peon to Octroi Section The Octroi Superintendent who was consulted reported that the peon was formerly working in the Octroi Section and that his work was quite unsatisfactory As the reports about the conduct and work on this peon were unfavourable both in the Octroi and Revenue Sections and since it was ascertained that he had opened a milk shop, to which he devoted more attention than his official duties, it was found desirable to retire him from service He was therefore retired compulsorily with effect from 5-7-1950 He has put in a service of 26 years and 11 days

An extract from the letter No P A R /C G A R 31593 dated 19th/20th April 1951 containing the observations of the Accountant General on the subject is herein enclosed for kind information
